

CALL YOUR CONGRESSPERSON!

SAVE YOUR NEIGHBORHOOD GYM!

Bottom line: The supposed ‘second wave’ of the COVID-19 pandemic is proving to be a hoax and continuing to subject gyms to onerous lockdown measures is only going to result in more of our neighborhood gyms shutting their doors for good, along with many of our other local businesses!

Why: The media and government institutions are artificially inflating the numbers and expanding the definition of what it means to have COVID-19, so they can make it seem like more people have COVID-19 than really do, in order to instill fear and force us into taking the vaccine down the road. Don’t be manipulated!
